

SCSA Schools Affiliation Fee

Affiliation Fees Q & A

1. What is an Affiliation fee?

All public and independent Schools as members of SCSA pay an affiliation fee. By paying this fee, Schools gain several benefits (as listed below). All Schools offering cycling as a sport must affiliate to SCSA.

2. Is the Affiliation fee the same as an entrance fee?

No - ENTRANCE fees are still payable to the respective race organisers to participate in, for example, Spur Schools Mountain Bike League. Race organisers will advise how to enter and what the entrance fees for their respective races are.

3. Can our School take part in Schools events such as Spur MTB League, without paying affiliation fees?

No - Schools that are not affiliated will not be able to take part in inter-schools cycling events.

4. What does the school get in return for paying an affiliation fee?

Some of the benefits include: free calendar space to advertise School's events, Training of Team Managers and Commissaires, professional marketing of Schools, educational programmes.

5. How do schools register and pay?

Visit www.schoolscyclingsa.co.za and Contact your Provincial Chairperson or Secretary.

3 Payment Levels:

R150 - 10 or less Riders

R300 - 11 - 30 Riders

R500 - 31 or more Riders

Schools Affiliation

fees payable by

latest 28 February

2020.
