

Who is Schools Cycling South Africa (SCSA)?

SCSA is the official governing body of Schools Cycling in South Africa operating autonomously to adapt to the Schools environment.

Schools Cycling South Africa (SCSA) will govern and facilitate through rules, regulations, policies and guidelines to Public and Private schools as well as School Leagues to ensure safe, fair and well organised events.

Vision

Schools Cycling South Africa (SCSA) vision is to establish cycling as an official recognised Schools Sport at National level, working closely with the Department of Education and Government at Provincial and National levels.

Mission

Schools Cycling South Africa (SCSA) as the governing body aims to encourage, develop, grow, promote and administer Schools Cycling in Primary and Secondary Schools (public and private) in different cycling disciplines through mass participation. SCSA will encourage Inter Schools, Inter Provincial activities, League events and festivals to establish in learners the love for cycling.

**SCHOOLS CYCLING
SOUTH AFRICA**

OBJECTIVES

- **ESTABLISH** cycling as official School Sport in Primary and Secondary Schools (Private and Public) at National level working closely with the Department of Education, local government and the Department of Sports and Recreation.
- **GROW** Schools Cycling as a TEAM SPORT through mass participation in Schools Leagues. Ensure SAFE, FAIR and well organised School events. Spur Schools League is fully endorsed by SCSA
- **DEVELOP** learners basic skills in cycling by hosting Skills Clinics and Festivals and to provide all children the opportunity to participate in School Cycling events.
- **TRAINING** School Teachers and Parent Representatives as TEAM MANAGERS, COACHES and COMMISSAIRES. These courses will count towards Teachers SACE points.
