

Linky Cilliers

Treasurer SCSA 2019-Present

Secretary SCSA 2019- Present

Secretary & Treasurer Western Cape Schools Cycling 2018-Present

Team sports support social interaction and encourage individuals to think with a team perspective. Playing a sport as part of a team requires persistence, patience, and practice — all of which can translate into important life lessons.

School Cycling opens a gateway to children who never before could be part of a team and that is they reason I am passionate about cycling to be an official school sport.
